BLOOD-SOAKED MAN GOES ON RAMPAGE AFTER WOMAN KILLED

He jumps from second floor flat

RAMPAGE: Arrested man is said to have landed on car before attacking its occupants

A MAN covered in blood jumped from the second storey of a city centre apartment building before going on the rampage – smashing car windows with his BARE HANDS and assaulting passers-by.

Greater Manchester Police said a woman's body had been found in the apartment in Manchester's trendy Northern Quarter.

A 37-year-old man was arrested on suspicion of murder and last night remained in custody.

Pictures posted to social media showed a flat window with blood spattered across it, and a nearby car with damage to its windscreen.

Witnesses said a man went on the rampage, attacking members of the public after jumping out of the window.

According to reports, one woman was on her way to work when a man smashed the rear window of her car before trying to drag her out.

Screaming

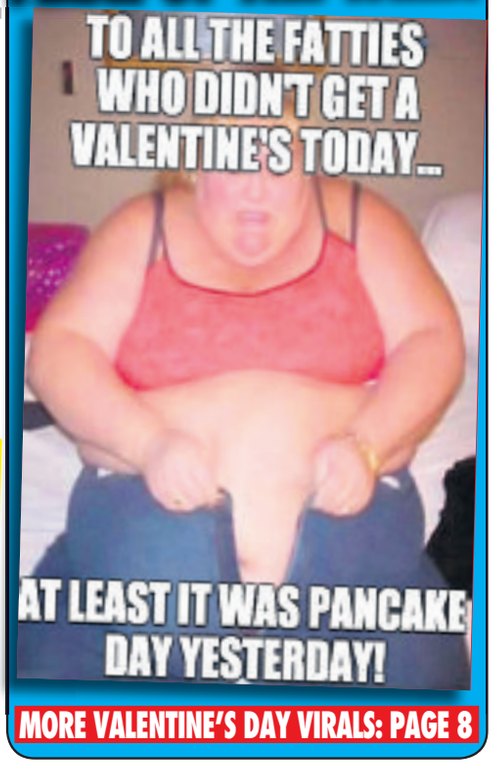

The woman's brother said: "He tried to drag her from the car, she was screaming and trying to stop him. He was smearing blood everywhere."

Officers arrived at around 7.40am to arrest the man.

Superintendent Chris Hill, of GMP's City of Manchester team, said: "The woman's death is currently being treated as suspicious and we have a team of officers working at the scene.

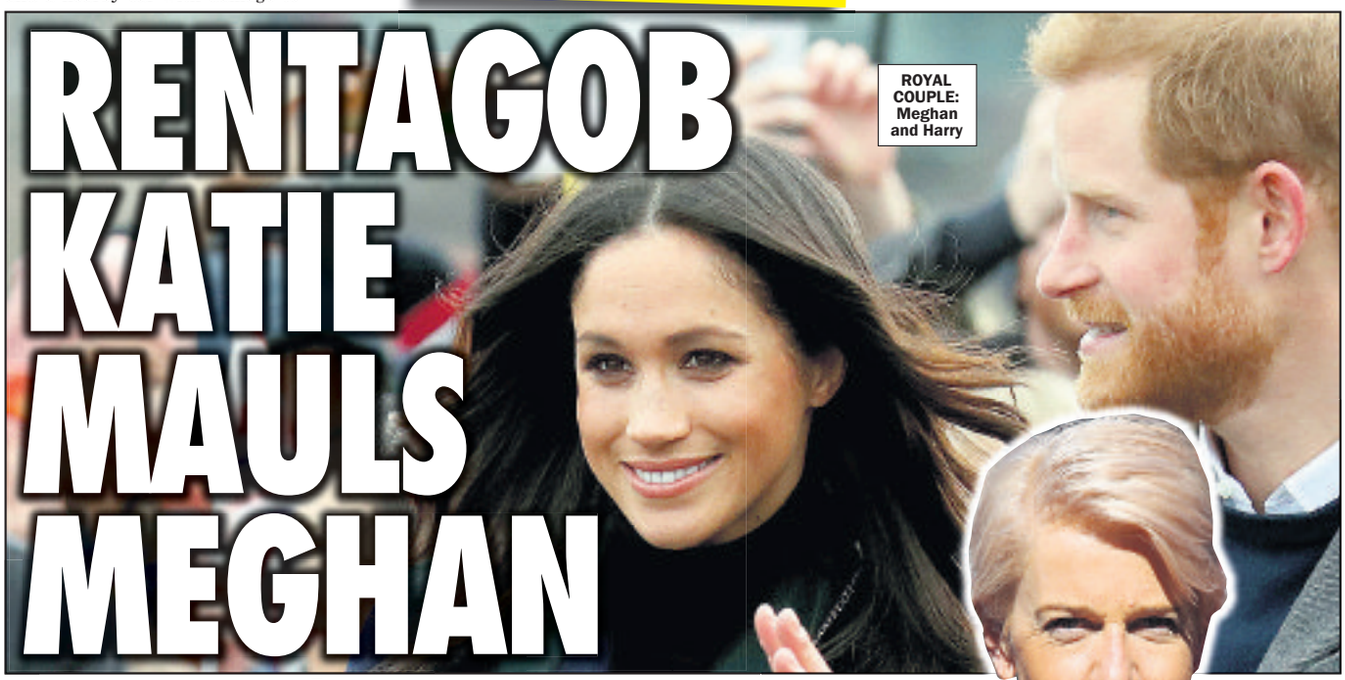

"We are in the very early stages of our investigation."

ROYAL COUPLE: Meghan and Harry

Fury at attack on her Grenfell visits

SHIT-stirrer Katie Hopkins has once again sparked fury after slamming royal bride-to-be Meghan Markle's secret trips to victims of the Grenfell Tower disaster.

Prince Harry's fiancée is said to have been moved to tears after making up to four visits to the Al Manaar mosque in West London.

The former actress, who was greeted by huge crowds of well-wishers as she and Harry visited Edinburgh yesterday, opted to make the private meetings without Harry as she gets to grip with royal charity work.

A Grenfell community member said: "Meghan's visits mean so much to us. She has a special place in our hearts."

But gobby Hopkins let loose on Twitter, saying: "Dear Christ, a budget Princess Di with an Oscar-winning innocent face. The biggest victims of Grenfell are the taxpayer. Soon to be your employer."

And she followed up with a second tweet, which read: "Dear Sparkely-pants. Any chance you could meet with the victims of Islamic Extremists?

"Locations include Manchester, London Bridge, Westminster Bridge, Parsons Green, Woolwich... or does that not suit your political agenda?"

Hopkins' tweets drew a bitter response.

User @quizzedwhy blasted: "What a horrific hateful parasite you are. No wonder so many people think of you as human excrement."

While @TheBellPiece wrote: "What a vile c**t you really are."

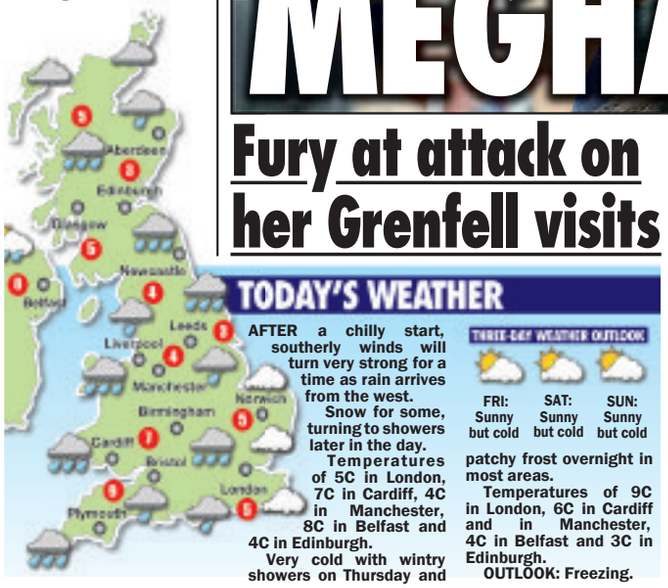

The blaze at Grenfell killed at least 71 people last June.

The mosque Meghan visited is about a mile from the gutted tower block and provides food, water, shelter and counselling.

Harry, 33, and Meghan, 36, will wed in Windsor at noon on May 19, avoiding a direct clash with the FA Cup Final later.

Olly has a pop at Chanelle

TWEET BLEAT: Chanelle labelled Olly *(above)* annoying

POP star Olly Murs and reality TV babe Chanelle Hayes went head to head in a bizarre social media spat.

Former *Big Brother* star Chanelle, 30, hit out at *X Factor* hunk Olly, 33, after watching his judging performance on *The Voice*.

Olly has won a legion of fans over the years thanks to his successful pop career and now his judging on ITV show.

By BECCA STUBBS
becca@sundaysport.co.uk

But scornful Chanelle took to Twitter to slam Olly and questioned how the hitmaker has even bagged a spot on the juging panel.

Uproar

Chanelle said: "How is Olly Murs a judge on a talent show though?? One of the most annoying people on the planet, can't even sing himself?? How is he so liked???????"

Her comments were met with uproar from devoted Olly fans, who not only hit back at Chanelle but also flagged the comments to the singer himself.

Irked by the reaction, Chanelle added: "Omg the Olly crew are out! Sozzzzz not soz."

Pretty quickly, Olly spotted the tweets and he retweeted Chanelle's comments and said: "Can someone please tell me who this lady is??! But honestly thanks for watching #TheVoiceUK, we love your support!"

PAYNE FOR CHEZZA

FORMER One Direction hunk Liam Payne hinted there was a night of bondage fun in store for his partner, Cheryl, this Valentine's Day.

Liam (*right*), 24 , has been promoting the *Fifty Shades Freed* film as he sings the soundtrack for the kinky movie, but he's taken some tips from the S&M film for Cheryl, 34.

He said: "Valentine's Day, and I have a girlfriend of my own so I'll definitely be taking a few tips and taking those home with me!"

Chopper crash lads 'blessed parents' lives'

THE British parents of two brothers killed in the Grand Canyon helicopter crash said they feel "blessed to have had them" in their lives.

The Rev David Hill and Sandra Hill said sons Jason, 31, and Stuart, 30, were "remarkable people" who will be "deeply missed by so many, many people".

The younger brother – who was there to celebrate his birthday – was on holiday with girlfriend Becky Dobson, 27, and his sibling when they were killed on Saturday in the Arizona tourist attraction.

Three passengers survived the crash, along with the pilot.

In a statement paying tribute to the brothers, from West Sussex, the grieving parents said: "We have a large extended family and Jason and Stuart were always at the heart of it.

"We always did things as a family and as parents we feel blessed to have had them in our lives."

Pilots in error for plane crash

THE crash of a Russian passenger plane that killed all 71 people on board may have been caused by the pilots' failure to activate heating for equipment, resulting in flawed speed data, investigators have said.

The Interstate Aviation Committee said after studying the plane's flight data recorder that Sunday's crash occurred after the pilots saw varying data on the two air speed indicators.

The pilots put the An-148 on autopilot after taking off from Moscow's Domodedovo Airport but took manual controls back when they saw clashing speed data.

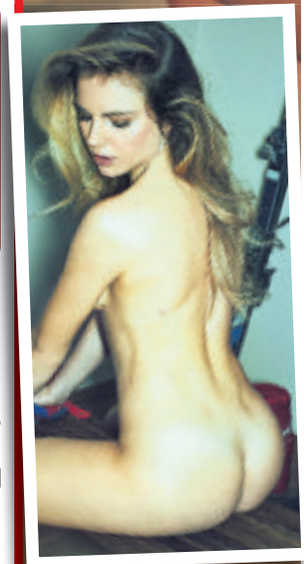

The plane crashed in a field six minutes later.

GERMAN skiing star Lisa Zimmermann is injured and missing out on the Winter Olympics in PyeongChang.

But she's been busy sending temperatures soaring away from the snow-covered peaks.

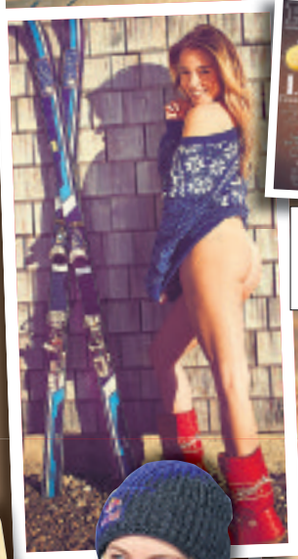

Lisa, 21, who is missing the Games through a knee injury, is making sure she's not forgotten about in her home country.

In photos which are sure to be doing the rounds in the Olympic Village, Lisa peeled off to grace the front cover of the latest German *Playboy* magazine.

The red-hot athlete finished 14th at the Sochi Olympics in 2014 but was tipped to finish much higher in South Korea after winning gold at the 2015 Freestyle World Championships.

Although she won't get the chance to compete in this year's Winter Olympics, Lisa is not letting her current injury halt her career away from the slopes.

Talking about her front cover, Lisa said: "It's fun to run around naked, and being able to show myself in *Playboy* is an honour – I was delighted with the request!"

Man in court on daughter Mylee murder charge

THE father of eight-year-old stabbing victim Mylee Billingham has been remanded in custody accused of her murder.

William Billingham *(above)*, who is also charged with making threats to kill Mylee's mother, was not required to enter any pleas during a brief appearance at Walsall Magistrates' Court.

The two-minute hearing before three magistrates heard that Billingham, 54, of Brownhills, near Walsall, was accused of committing both offences on January 20.

Appearing in the

dock wearing a dark blue V-neck jumper and grey trousers, Billingham spoke only to tell the clerk his name, date of birth and address.

The case against him was adjourned until a further hearing at Wolverhampton Crown Court on Thursday.

Mylee *(above)* was pronounced dead in hospital after being found with knife wounds at her father's bungalow at around 9.15pm on January 20.

Robber nailed by school pal

A KNIFEMAN who robbed a Co-op shop was recognised by a female shop worker he used to go to school with.

Jacob Simpkin (*above*), 24, grabbed the woman from behind, held a 10-inch knife to her throat and demanded to be taken to the safe at the shop in Peterborough.

As her colleague opened the safe and placed around £7,000 in a black sports bag, the woman caught a glimpse of Simpkin's face.

He was arrested the following day and later admitted robbery at Cambridge Crown Court.

He was jailed for four years on Monday.

RUGBY ACE DENIES EVER HAVING SEX WITH RAPE CLAIM WOMAN

ACCUSED: Paddy Jackson

ON TRIAL: Stuart Olding (*above*) and Blane McIlroy

But it was more than once, she tells court

IRISH rugby international Paddy Jackson denies ever having sexual intercourse with a woman who has accused him of rape, a court has been told.

Prosecution barrister Toby Hedworth said to her as she gave evidence: "It is Mr Jackson's case that he never had sexual intercourse with you and that the height of what he did was to digitally penetrate you while you performed oral sex on Mr Olding."

She replied: "That's incorrect."

The woman, who cannot be identified for legal reasons, was being re-examined at Belfast Crown Court by the prosecution.

Intercourse

When asked if she believed Mr Jackson had sexual intercourse with her on more than one occasion, the woman said: "It was more than one occasion because he had already had sex with me before Mr Olding entered the room."

She rejected suggestions that Jackson's Ulster team mate Stuart Olding, who also denies rape, walked in while she was "straddling" Jackson and that she "instigated" sexual activity with him.

By LESLEY-ANNE McKEOWN
news@sundaysport.co.uk

"That's completely incorrect," she said, adding that her trousers were at her knees making it "impossible" to straddle anyone.

The court also heard that in a note written when she got home after the alleged attack, the complainant described Olding as an "imbecile" and "monkeyish".

The note recorded the names Blane, Paddy Jackson and the description "blonde, short, imbecile and monkeyish", the court heard.

Mr Hedworth asked: "What does imbecile and monkeyish refer to?"

The woman said: "That was my impression of Mr Olding."

Paddy Jackson, 26, from Belfast, denies raping the woman in June 2016.

He also denies a further charge of sexual assault.

Stuart Olding, 24, of Belfast, also denies raping the same woman.

Exposure

Two others have been charged in connection with the same alleged incident.

Blane McIlroy, 26, from Belfast, denies exposure.

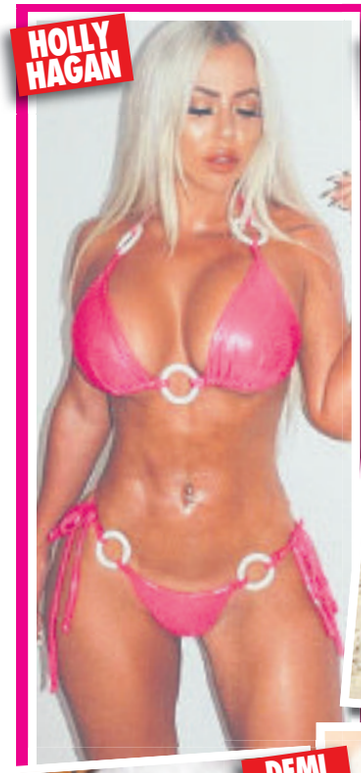

Rory Harrison, 25, from Belfast, also denies perverting the course of justice and withholding information.

The case continues.

Echo Dot cat food row TV ad cleared

A TELEVISION ad for Amazon's Echo Dot smart speaker has been cleared by the regulator – despite it activating a viewer's own device and placing an order for CAT FOOD .

The ad demonstrated people using the device *(above)* in various situations and included a man's voice saying: "Alexa, re-order Purina cat food," to which Amazon's virtual assistant replied: "I've found Purina cat food. Would you like to buy it?"

CROWN COURT DATE: Stokes

BEN SENT FOR TRIAL

...then jets off to play for England

By COLIN HURST news@sundaysport.co.uk

CRICKETER Ben Stokes will travel to New Zealand today to join the England squad after appearing at court charged with affray.

The England and Wales Cricket Board confirmed that the all-rounder will arrive "ready to train with England team mates" on Friday.

Stokes, 26, appeared at Bristol Magistrates' Court yesterday charged with affray along with two other men.

He indicated a not guilty plea to the charge against him, relating to an incident outside a nightclub in Bristol on September 25 last year.

Following the court appearance, a spokesman for the ECB said: "Having entered his plea at Bristol Magistrates' Court today, Ben Stokes will now travel to New Zealand to join the England squad.

"He departs tomorrow, Wednesday 14 February, and will arrive on Friday 16 February, ready to train with his England team-mates in Hamilton.

"Any decision to include him in upcoming matches will be made by Head Coach Trevor Bayliss and the England management team.

"He is not currently being considered for the ongoing International T20 Tri-Series.

Obligations

"ECB fully respects his right to defend himself in court and any obligations he has within the legal process will always take precedence over England commitments."

Stokes missed the Ashes series after being suspended from playing for England, who lost to Australia 4-0.

The cricketer appeared before JPs alongside Ryan Ali, 28, and Ryan Hale, 26, all jointly charged with affray in the Clifton Triangle area of Bristol last year – just hours after England had played a one-day match against the West Indies.

A 27-year-old man allegedly suffered a fractured eye socket in the incident, at which fellow England cricketer Alex Hales was present.

All three defendants elected to be tried by a jury at crown court and were granted bail.

Stokes, of Castle Eden, Durham, is accused of affray on September 25 at Queens Road in Bristol.

He is accused jointly with Ali, of Bristol, and Hale, of Westbury-on-Trym, of using or threatening unlawful violence towards another.

Oxfam public funding still to be considered

A DECISION on whether to withdraw public funding from Oxfam over the aid worker sex scandal will not be taken hastily, International Development Secretary Penny Mordaunt has said.

The charity issued an "unreserved apology" to the Government, donors, supporters and the people of Haiti over its handling of sex allegations – including the use of prostitutes by workers – in the earthquake-hit country back in 2011.

Ms Mordaunt (*above*) said she would take the issue very seriously but stressed she would be guided by a Charity Commission inquiry into Oxfam while deciding whether to pull funding.

Labour leader Jeremy Corbyn said the scandal should not be used as an excuse to cut overall aid funding.

Oxfam received £31.7million from the Government in 2016/17, but the support has been put at risk by the furore, which led to the resignation of its deputy chief executive.

'TOP COP WANTED SEX WITH FEMALE PC IN CAR'

He denies harassment

By COLIN HURST colin@sundaysport.co.uk

A WOMAN PC was groped by her inspector who suggested they share a hotel room, a tribunal has been told.

Lisa Myers, 38, claims Paul Nightingale grabbed her bottom, kissed her neck and once forced his hand down her top.

But when she complained she was moved to a different office 20 miles away – and eventually quit the force. The married mum-of-two is seeking damages from Nightingale, who denies any sexual harassment.

At the time of the alleged incidents, married Nightingale was a sergeant with the British Transport Police based at Liverpool Lime Street Station, but was acting in the role of inspector.

In a witness statement, Mrs Myers said he started stroking her shoulders, neck and hair in summer 2015 after she had complained of pain on her return from maternity leave.

She said: "On each occasion, I turned my chair around and made it clear that his conduct was unacceptable."

Hotel

On one occasion she was due to attend a course in London and alleged Nightingale said they could stay at the same hotel "with the implication that we could share a room".

Mrs Myers said the harassment briefly stopped when the 40-year-old was spoken to informally after she complained to her line manager – but resumed at their Christmas party that year.

"Mr Nightingale was whispering into my ear throughout the meal and making sexual comments – one being that he would like to have sex with me in a car," she said.

She claimed after they did a first aid course in 2016 Nightingale threw himself on the floor and said: "I need mouth to mouth."

EX-COLLEAGUES: Paul Nightingale and Lisa Myers

She said Nightingale again stroked her neck and face on a night shift in April 2016, and that when she moved away he said: "Oh, come on, no-one will know."

"I said that I did not want anything to do with him in a sexual manner," she said.

Breast

"A short while later, Mr Nightingale came back and before I could turn around, he placed his hand inside my shirt and on to the top of my breast."

At the end of May 2016, she formally accused Nightingale of sexual harassment – only to result in her being moved from the Liverpool office.

She was signed off work with stress before quitting her job in January 2017 after 12 years of service.

Nightingale has also left the force.

The hearing continues.

Matt: Top Gear team chemistry

MATT LeBlanc says the chemistry between *Top Gear*'s three hosts will get the programme back on track.

The motoring show is returning for its 25th series and will be fronted by LeBlanc, Chris Harris and Rory Reid, with mystery racing driver The Stig.

This will be the current line-up's third series together and the former *Friends* star said their relationship will help attract new viewers to the show.

He said: "Every season we try to progress it. What we've done this time is broaden the appeal of the show.

"This year the films are bigger and have way more comedy.

"We've been thinking outside the box more, and the chemistry between the three of us has been getting stronger as we get to know each other better.

"It will always be a car show, but we're trying to broaden the demographic to make it appeal to a wider audience."

Top Gear returns to BBC2 on February 25.

And of those aged 80 and above, less than a fifth said they have enough sex.

A little more than a quarter wrinklies said that while they had not had sex on a first date since turning 65 they would consider it.

And nine per cent said they take no precautions against diseases when they bonk a new partner.

Vicky gets all sticky over Oz jungle hunk

WELL FIT: Vicky has eyes for hunky Josh

GEORDIE babe Vicky Pattison has headed back to the jungle to star in Australia's version of *I'm A Celebrity... Get Me Out of here!*

The babe was a winner when she appeared on the show in 2015 and has now entered the Down Under version of the show to spice it up.

But most Aussie fans were left wondering, "Vicky who?!!"

While the UK version is based in Australia, the Australian version is filmed in South Africa.

Stir

Vicky, 30, immediately caused a stir – admitting she fancied Aussie rules footballer Josh Gibson.

She said: "How fit is Josh?

"Like, I'm a happily engaged woman... But, Josh, he is a lovely bit of kit, isn't he?"

The reality star made it quite clear that nothing can come between her and fiancé John Noble, but admitted Josh's physical attractiveness was undeniable. Later, camp leader Shannon Noll gave the pair a chance to spend some time together, asking them to collect wood for the group.

"We've chosen Vicky for the wood. She's fresh, fresh as a daisy," Shannon explained.

"The other wood person is Josh. I thought it would be a great way for Vic and Josh to get to know each other."

Vicky joked of her partnership: "He's easy on the eye, and I get to make loads of puns about laying wood!"

And when Josh later took the opportunity to showcase his frame by undertaking a fitness session in front of the entire camp, Vicky couldn't help but get a good look.

It's purely platonic between the duo however, with Vicky currently engaged to businessman John.

Also entering the camp is former Royal butler Paul Burrell.

#VALENTINE TREAT

PLAYBOY beauty Hannah Elizabeth says the kinkiest shag she ever had was when she had a romp in the BATH.

Hannah, 27, from Liverpool, dressed up in her hottest lingerie for this Valentine's Day shoot – and she's hoping for another bathtime bonk tonight.

Sexy scouser Hannah boasts a pair of 32G norks and has everything crossed that she'll be getting lucky tonight.

She said: "I had sex in public with an ex... a few times! Looking back, I can't believe some of the stuff we did.

"Once we were on a beach and the people walking past just thought we were drunk!

Kinky

"What's the best sex I ever had? I love having sex in the water. One time, I did it when I was in the sea on holiday.

"But the best ever was when I was in the BATH. It was one of those nights when it was all just really kinky.

"I started off in my sexiest lingerie, but that soon came off and I ended up using the shower head as an extra tool. That was fun!

"It felt so good because I'd really planned it out. Thinking about it all day meant I was really turned on."

'KILLER DOG' OWNER GETS 10 YEARS

WARNING: Pit bull Alex (*right*) escaped its kennel

Neighbour mauled to death

A MAN whose bull terrier attacked and killed his neighbour has been sent to prison for 10 years.

David Ellam, 52, was mauled by Aaron Joseph's dog while he attempted to defend his own pet.

Joseph, 30, was convicted of owning a dog dangerously out of control causing injury resulting in death.

His dog, called Alex, escaped from its kennel on August 15, 2016, and attacked Mr Ellam while he walked his Yorkshire terrier near his flat in Huddersfield, West Yorks.

JAILED: Aaron Joseph (*left*) let his dog kill David Ellam (*top*)

By COLIN HURST
news@sundaysport.co.uk

Jaws

Leeds Crown Court heard how Mr Ellam screamed for help as the dog clamped its jaws around his leg.

A neighbour threw him a knife to fight off the animal – but he refused to use it.

He suffered multiple injuries and died later in hospital.

During the trial, prosecutor Richard Walters revealed that two months prior to Mr Ellam's death he raised concerns his neighbour's dog may have been a banned pit bull terrier.

Police seized the dog but later returned it to Joseph, who lived in the flat above Mr Ellam.

Mr Ellam's dog, Rolo, was also savaged by Joseph's dog and required emergency treatment but survived.

Richard Walters, of the Crown Prosecution Service, said Joseph failed to comply with an order stating his dog needed to be muzzled, kept on a lead, insured, neutered and fitted with a micro-chip.

He added: "He chose to place a dog which he knew to have a history of attacking neighbours in a pen in the communal garden of the flats where he lived.

"This was an appalling case in which a man lost his life in the most shocking way in a horrific, brutal and sustained attack."

KATIE GETS A NEW VAGINA FOR HER 40th

She'll blow £250k on birthday suit surgery

FORMER topless model Katie Price is planning to go under the knife yet again – so she can party NAKED at her 40th bash.

The 39-year-old hits the big 4-0 on May 22 and wants a second designer vagina and her 10th boob job to make herself look amazing with her kit on – and off!

Mum-of-five Katie is set to splash £250,000 on the procedures in Brussels and Turkey, to wow guests at her party.

By BECCA STUBBS
becca@sundaysport.co.uk

A source said: "Kate's attitude is, if the skin's loose and not vital, then lose it.

"She wants her body to be that of a 25-year-old, so she can party in her birthday suit!"

Katie has already had full body laser hair removal, liposuction, lip fillers and Botox.

She is planning a complete overhaul of her figure to showcase her birthday suit at her 40th bash.

The source added: "Kate is planning her 10th boob job – but this time she's going smaller and higher.

"She was left with 'saggy' bits following the birth of Jett and Vunny. Even though they were C-section, the pressure of them pushing down on her vagina has left her in need of a complete overhaul."

Fans recently hit out at the mum-of-five after her house appeared on Keith Lemon's *Through the Keyhole*, where cameras showed a scum encrusted swimming pool outdoors.

TV Ashley's hubby took his own life

THE husband of *Extras* actress Ashley Jensen took his own life, an inquest has heard.

The emergency services were called to actor Terence Beesley's home in Camerton, Somerset, on November 30 last year, to find the 60-year-old in a car in his garage.

Paramedics tried to revive Mr Beesley, who played Buxton in ITV's *Victoria*, but he was pronounced dead at the scene, Avon Coroner's Court heard.

In a statement read to the hearing Ashley (*above*), 48, said she came home, found her husband and called the authorities.

She had last spoken to him via text message and email on the afternoon of his death.

She said: "I was extremely shocked by what happened that night.

"Terry and I had been together for 18 years but I had no idea he was capable of what he did."

The coroner said Mr Beesley's suicide was caused by carbon monoxide poisoning.

Teenage attack vid man jailed

A TEEN girl was sexually assaulted by an attacker who "accidentally" filmed the attack while using his mobile phone torch to see what he was doing.

Alex Evans, who was 17 at the time, molested the 16-year-old when she fell asleep or unconscious after drinking cider.

The girl started to stir during the attack and in the footage can be heard telling Evans: "No!"

Evans, now 20, from Washington, Tyne and Wear, admitted sexual assault and making an indecent photograph of a child.

He was jailed for three years and eight months.

TRAUMA BABES... NAKED & TOPLESS!

Stars of ITV thriller strip

BRAND new ITV drama *Trauma* is a nail-biter – but it'd be even more tense if it showed these bare boobs.

Lucky fella John Simm, 47, stars in the show about a grieving father which reaches a climax tonight at 9pm.

Original thriller *Trauma* has three hotties for viewers to ogle, but sadly ITV won't be showing them quite as bare as they have been before.

Naked

Rowena King, 47, stars as Lisa in the hospital based show but she went completely nude in 1993 drama *Wide Sargasso Sea*.

Busty babe Jemima Rooper, 36, stripped off for her role in 2007 thriller flick *Lifeline* but she stays covered up as Nora Barker in *Trauma*.

And stunning Lyndsay Marshall, 39, is Susie Bowker in the channel's latest offering. She offered up her naked pert pair in 2003 special *Sons & Lovers*.

Three-parter *Trauma* began on Monday night and is set in the trauma unit of a London hospital, where a grieving father blames a high-achieving consultant for the death of his teenage son.

The final episode is on ITV tonight at 9pm, and the series is available on ITV Hub online.

EMILY SCOTT

BACK in 2006, David romanced Australian glamour girl Emily Scott, 34, who herself has an illustrious list of former flames.

I'VE GOT TALENT: Walliams is good at pulling hot babes

By BECCA STUBBS becca@sundaysport.co.uk

COMEDIAN David Walliams is reportedly dating model Chloe Ayling – but she's not the only stunna who's caught his eye.

Britain's Got Talent judge David, 46, is said to have got the attention of the busty 20-year-old, from south London, after liking a few of her raunchy selfies on Instagram.

Chloe shot to fame last summer after she claimed she was kidnapped by Lucasz Herba, who is currently on trial and denies the offence.

Intrigued

A source claimed of David's 'secret' new romance: "He is intrigued by her story and has clearly taken a shine to her.

"It's a case of waiting and seeing if their relationship grows from here."

Funnyman David was previously married to model Lara Stone before they split in 2015 – but he's romanced plenty of topless totty in the past.

Here's some of the hottest babes he's been linked to over the years…

LISA SNOWDEN

LEGGY model Lisa, 46, briefly dated the *Little Britain* star in 2005 before confessing to 'breaking his heart'. However, the couple are now firm friends.

LARA STONE

DUTCH beauty Lara tied the knot with David in 2010 after just 11 months together. They were married for four years before David cited 'unreasonable behaviour' in his quickie divorce from the 34-year-old beauty.

ABI TITMUSS

FORMER glamour girl Abi, 42, wooed comedian David back in 2004 and reportedly enjoyed several saucy liaisons with the womaniser.

INTEREST FOR LITTLE BRITAIN STAR, WE ASK...

KATE BECKINSALE

BRITISH rose Kate, 44, was spotted looking cosy on what seemed a romantic dinner date with David last year – but she soon laughed off reports of a relationship and insisted they were just good pals.

GERI HALLIWELL

IN 2007, David decided to inject a bit of Spice into his life and romanced Geri Halliwell, 45, but their blossoming love only lasted six weeks before they went their separate ways.

PATSY KENSIT

ACTRESS Patsy, 49, was dating the *Britain's Got Talent* judge in 2004 for a few months and the couple were reportedly looking for houses together during their brief relationship.

Nadine keen on a role in Derry Girls

GIRLS Aloud babe Nadine Coyle is set to branch out from singing to star in a hilarious new sitcom, *Derry Girls*.

Nadine (*above*), 32, was born and raised in the Northern Ireland town where the show is based.

The Channel 4 show finished its six-episode run last week but has been commissioned for a new series – and Nadine has already been in touch with its writer to bag a role.

She said: "I'd love to do something with *Derry Girls*.

"I'm going to speak to the writer and we're sorting something out for the next series."

And the comedy – about teenage girls growing up in the 1980s – is especially close to home for Nadine as it's filmed in her old school.

She said: "It's based on the same catholic school I went to, so we have loads of similar experiences."

Meanwhile, Nadine is releasing a new album 16 years after she first found fame.

Preggers Helen Calls out critic

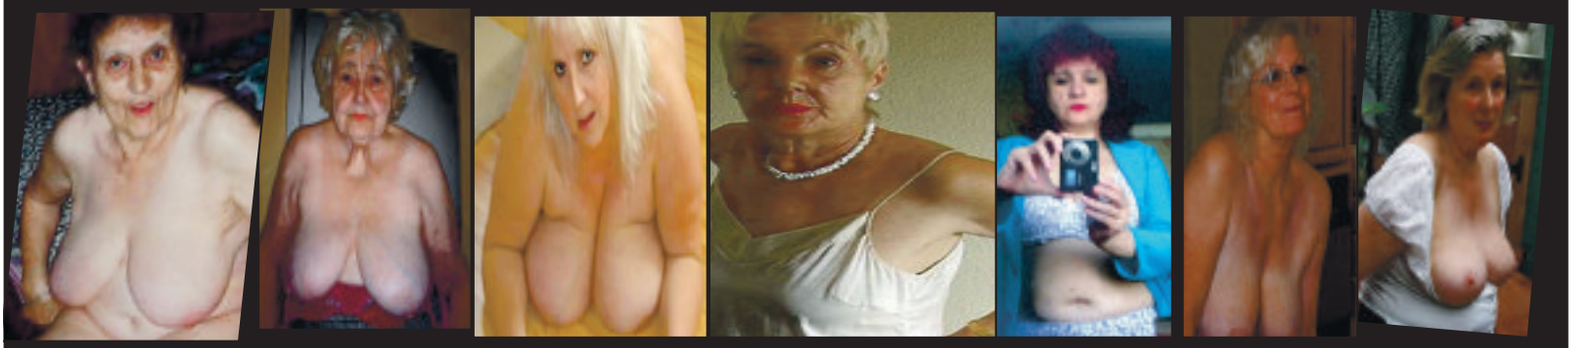

HELEN George hit back at a *Call The Midwife* viewer who commented on her weight on the show, which was filmed while she was pregnant.

TV star Helen, 33, responded to the tweet, posted during Sunday's episode, which said she was "massive" and she "should be put on a diet".

George wrote: "Sorry if my chins offended you, I chose to feed my baby healthily and not starve myself to look good on TV.

"Would you say this to a pregnant lady's face? You should look on pregnant ladies multiple chins with love, they are busy making the future."

Rachel's job fears at cut Cats scenes

COUNTDOWN host Rachel Riley says cut scenes on *8 Out of 10 Cats Does Countdown* could leave her without a job if they're ever released.

Rachel (*above*), 32, revealed the scenes which ended up on the cutting room floor are totally X-rated.

The maths whizz said: "Each show takes three hours to record and is cut down to 45 minutes. So the stuff on the edit floor can be even funnier.

"The lawyers have to be involved to make sure some of it doesn't go out – it would end all of our careers!"

Since the comedy mash-up show started in 2012, Rachel also revealed the gang have had plenty of after-hours fun at 45-year-old host Jimmy Carr's house.

She added: "Jimmy throws a good party regularly. I wouldn't name names but there are people who've done all-nighters there and then gone to work the next day.

"You can end up at 4am in the hot tub – it has been known."

GEORDIE SHORE CHARLOTTE CROSBY: I'LL LET MY FINGERS BE MY VALENTINE!

POP stunna Britney Spears filmed herself working up a sweat in the gym and got her army of fans feeling all hot and bothered with the raunchy clip.

The 36-year-old *Toxic singer* took to social media and uploaded a short video of her exercising in a skimpy outfit.

She wore a tight red sports bra and pink polka dot shorts which displayed her gym-honed figure while she lifted weights and showed off her incredible flexibility.

One fan said: "I almost ripped the end off it watching her gym video!"

FANNY FUN: TV babe plans home comfort

REALITY TV babe Charlotte Crosby said she'll be indulging in some SELF-LOVING tonight... because she doesn't have a fit fella to bonk.

Charlotte, 27, revealed her saucy plans for her Valentine's Day night in and said she'll just MASTURBATE by herself.

The former *Geordie Shore* stunna made her X-rated confession when she stumbled drunkenly out of a fashion do.

She had been partying at the In The Style bash before pouring herself into a waiting taxi and flashing her knickers.

Cheating

Earlier in the evening, Charlotte had spoken about her self-indulgent plans for Valentine's Day when asked what she had in mind.

Talking about her sexed-up intentions, she said: "I don't have plans, I'm probably just gonna finger myself 'cos I don't have a boy."

The newly-single babe recently split from fellow reality star Stephen Bear, 28, following allegations of cheating.

By BECCA STUBBS
becca@sundaysport.co.uk

However, rumours are rife that Charlotte has moved on with another reality TV star, *Ex On The Beach* hunk Josh Ritchie, 23.

Over the weekend, fans were convinced Charlotte had confirmed her new romance with Josh after posting a loved-up selfie of the good-looking couple on social media.

If true, Charlotte might have more options than she thought when it comes to some between the sheets action tonight.

Christine: My premonition saved Frank!

TELLY presenter Christine Lampard says she once had a premonition that saved her husband Frank Lampard's life.

Christine is set to spend five nights in a haunted house with other famous faces as she fronts new telly show *Celebrity Haunted Mansion*.

But, she's had plenty of previous spiritual experience in the past.

During a dog walk, she saved Frank's life, adding: "There was scaffolding outside, which had been up for eight months.

"We were walking past it as we do every day and I said, 'Frank I feel really funny about that scaffolding, I can just see it falling down'."

"I said, 'I swear, I think something is going to happen', then I gave him a shove, and he hit the dog.

"I pushed him into the road and then this huge clump of stuff fell off and bounced off the pavement and went into the road – a huge chunk of metal!"

Kim's naked family shoot

REALITY telly babe Kim Kardashian is planning a NAKED family photo shoot with her rap star husband and her newborn baby.

Kim, 37, is determined to regain her status as the top Kardashian after sisters Khloe, 33, and Kylie Jenner, 20, recently made headlines with their pregnancies.

A source said: "Kim's keen to do a shoot with Kanye and Chi – hinting that they'll all be naked, for maximum publicity.

"Kim struggles with her sisters outshining her, so it's likely she'll be gently persuading new mum Kylie to enjoy her first few months behind closed doors."

FOOTIE ACE JERMAINE: YOU CAN'T WATCH ME HAVE SEX WITH MY WIFE!

FURY: Pennant denies shooting in porn flicks

FOOTBALLER Jermaine Pennant has denied claims that he's now an online PORN STAR.

Jermaine, 35, reportedly took part in webcam sex sessions with his glamour model wife Alice Goodwin, 32, but he has blasted the reports as a joke.

Fans of the winger – who played for Arsenal and Liverpool – claim they identified him in the online skinflicks by the 'love' tattoo on his right hand.

However, he's hit back at the porn star jibes and said he'll be putting the record straight when his autobiography hits the shelves.

By BECCA STUBBS
becca@sundaysport.co.uk

He said: "Calling me a porn star and putting it on the front page of their paper is just a joke.

Laughable

"The problem is that some people will actually believe that I'm in the porn industry.

"I've not had a perfect life and my upcoming book 'MENTAL' will let the public read my chequered past.

"I'm not, and will never be, a porn star. It's laughable, I'm a married man living with my wife and stepdaughter.

"In fact, the major concern for me and Alice is the influence all of this has on family and friends. Our lawyers are dealing with the situation now.

"This kind of thing needs to stop. Just because I'm seen as an easy target doesn't give anyone the right to write stories like that.

"I am a lot of things, but not a porn star."

Pennant's last club was Isthmian League club Billericay Town, who he allegedly left two weeks ago.

Wife Alice allegedly charges strangers £6 a minute for one-to-one webcam sessions and she also features on adultwork.com as well as the Babestation website.

Doc's 'sex assaults on five women in 10 days'

DENIAL: Dr Haque

A DOCTOR sexually assaulted five female patients over a 10-day period, a court heard.

One of the alleged victims claims she was groped after complaining of a high temperature.

Dr Amirul Haque, 33, is alleged to have ignored chaperone guidelines while also targeting patients being assessed for ear pain, a sore throat and an eye problem.

Haque, of Balsall Heath, Birmingham, denies five counts of assault while training in general practice at a surgery in the Dudley area of the west Midlands.

By COLIN HURST
news@sundaysport.co.uk

Groin

At Wolverhampton Crown Court, prosecutor Philip Bradley QC alleged that all the women felt the doctor pressing his groin against parts of their bodies.

One of the alleged victims claims Haque sexually assaulted her after asking her to move her bra aside as he checked her heartbeat.

Mr Bradley told the jury: "It is a feature of this case that because he was new to general practice, he was allowed thirty minutes with his patients as opposed to the usual ten.

"It is common ground that if Dr Haque acted in the way these women allege, there could be no medical justification for doing so."

Claiming Haque had committed the offences for sexual gratification, Mr Bradley added: "The prosecution case is that Dr Haque breached guidelines on intimate examinations and chaperones and that those breaches were not inadvertent, rather they were necessary to commit these offences."

Mr Bradley said that police twice interviewed Dr Haque under caution but he had chosen not to answer the officers' questions and had submitted a prepared statement denying he had sexually assaulted any of the women.

The trial continues.

#HOT'N'HORNY

KINKY Krystal Webb has a naughty THREESOME fantasy which involves her tying up a fella and teasing him with a lesbian show.

Krystal, 30, from Birmingham, would then relieve her lucky bloke by giving him a double blowjob with her sexy pal.

The 30G beauty said: "I'd love to put a blindfold on him and order him to sit on a chair before tying his arms firmly behind.

"Then I would quietly let a really sexy girl into the room. He'd have no idea what was in store for him.

Bulge

"I'd slowly lift the blindfold off him and I'm sure his face would be a picture seeing my gorgeous pal there in her skimpy underwear.

"As he's watching, we'd kiss and stroke each other's soft skin. Then our hands would wander inside each other's underwear.

"Eventually, when it looked like he couldn't take any more, I'd slowly crawl over to him and start caressing his bulge.

"As he begged for relief, I'd finally reward him with my best blowjob. I'd encourage my girlfriend to join in pleasuring him too."

GIRL CHOPS UP LOVER KILLED IN KINKY SEX GAME

A WOMAN has been arrested after admitting chopping up her boyfriend – with whom she practised BLACK MAGIC and KINKY SEX .

Anastasia Onegina, 21, is accused of killing Dmitry Sinkevich, 24, a former policeman and Russian army soldier in the city of Oryol, west Russia.

The student denies murder, claiming she found his dead body and was afraid she would be accused of murder, so decided to butcher his corpse instead.

One police theory is that he died during a sex game.

Neighbours say the couple were fans of occultism and BDSM. His social media had Satanist images.

Knife

One report said: "Neighbours said they held weekly orgies and complained about them making a lot of noise.

"They were said to be into sadomasochism and similar practices."

Mr Sinkevich's body, cut up with a knife, was found by Onegina's sister, who called police.

Forensic tests are being carried out to determine how Mr Sinkevich – who had most recently worked as a barman – died.

His final picture shows them going for a walk with her dog at 7.50am on Sunday.

He was dismembered later the same day.

Detective Nikolay Panasyuk said: "The body was found by the sister of the suspect, who came to the flat.

"The suspect, who was well acquainted with the victim, has been detained. She gave evidence, insisting she did not kill him."

In the dead man's social media profile he had written: "In love with Anastasia Onegina."

His profile showed he was subscribed to a Satanist group and he posted pictures linked to the Devil.

A picture also showed him in his policeman's uniform in 2015.

On her online account, Onegina, the daughter of a policeman, wrote: "I only want 3 things in this world: See you. Hug you. Kiss you."

Shayne's up for Blinding sex romps

SOAP star Shayne Ward is eyeing up a SEX SCENE in gritty drama *Peaky Blinders*.

Shayne (*above*), 33, is waving goodbye to *Coronation Street* this summer after three years in Weatherfield as Aidan Connor.

He's keen to get straight back into acting but wants a more X-rated role on a top British show.

Shayne admitted he's looking to swap the ITV soap for the BBC crime drama and wouldn't say no to some onscreen raunch.

Former *X Factor* winner Shayne said: "I'm not nervous about leaving *Corrie*. I'm excited by the challenge. I can go on to other things now.

"I've always wanted to do something a bit more serious. *Peaky Blinders* is the kind of show I want to head towards. Things like that stuff that involves gangs and prison."

When asked if he'd be happy to get his kit off for sexy scenes in a new role, Shayne added: "Too f**king right!"

Fact me!

THE Basque word for 'cold' is 'hotz'

Bancroft back in new crime drama

SARAH Parish will return for a second series of crime drama *Bancroft*.

The *Broadchurch* actress *(above)* will reprise her role as respected, yet ruthless, police officer DCI Elizabeth Bancroft for *Bancroft II*, which is set to start filming later this year.

The new four-part series will focus on the lead character's loneliness after being estranged from her beloved son Joe, as well as her dangerous pact with crime boss Daanish Kamara – both of which are at odds with her successful career trajectory.

MAN CUTS OFF HIS OWN COCK AND BALLS TO EAT THEM!

A *MAN* *sliced* *off* *his* *own* *genitals* and attempted to EAT them after he started hearing voices inside his head.

Daniel Escalante Araujo was working on a coffee farm in Honduras when he began cutting off his testicles and penis with a knife.

The 26-year-old was found covered in blood eating his own testicles by Maximino Vasquez, the owner of the farm in La Entrada, Santa Rosa de Copan.

By COLIN HURST
news@sundaysport.co.uk

Vasquez immediately took Araujo to a nearby hospital, where he had reconstructive surgery.

Hurt

When asked why he had self-mutilated, Araujo claimed voices had ordered him to do it – and those voices threatened to hurt his family if he didn't carry out their demands.

Araujo said: "I had to do it, because every time those voices spoke to me louder.

"They said I must cut off my mates (testicles) and the rest (penis) to give them to my mother and father."

He added: "They also told me that if I didn't do it, they would kill my whole family."

Araujo did not explain why he had begun eating his testicles after cutting them off.

He said the voices had first appeared in his head five years ago and he also suffered from hallucinations.

Araujo said: "Being here in the hospital, I keep hearing those voices. They shout at me to harm myself."

Delay over Thames bomb

AN unexploded Second World War bomb found in the River Thames will not be detonated until weather conditions make it safe to do so.

The Royal Navy planned to carry out a controlled explosion on the bomb on Tuesday but strong winds and a large sea swell posed a risk to divers.

The 1.5-metre-long tapered-end shell was found 15 metres underwater and was moved to a secure area after its discovery on Sunday morning.

London City Airport opened as normal on Tuesday after dozens of flights were cancelled following the bomb's discovery.

'Movie-flop' Jen fancies Friends gig

ACTRESS Jennifer Aniston wants to bring the cast of *Friends* back together for a reunion TV series.

The 49-year-old, who played Rachel in the much-loved American sitcom, wants to get the gang back together after a 14-year break.

According to recent reports, Jennifer isn't happy with her film career at the minute and is looking to revive her television personality.

And she thinks *Friends* is perfect.

A source said: "Jen hasn't had a bona-fide box-office hit for at least five years and it's starting to worry her.

"She's career-driven and has been unhappy with some of her lacklustre projects over the years. She's been feeling frustrated with her movie career lately.

"She feels with all the reunions happening right now – like *Will & Grace* and *Roseanne* – the original *Friends* cast could have a golden opportunity to blow all the other programmes clean out of the water."

Fact me!

IN the First World War, only Romanian officers above the rank of major were authorised to wear eye shadow into battle.

Football coach Bennell guilty

FORMER football coach Barry Bennell has been found guilty of multiple sexual offences against boys whom he targeted in the youth football set-ups of Manchester City and Crewe Alexndra.

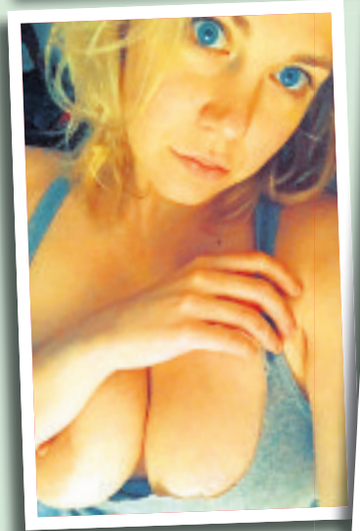

The 64-year-old (*above*) was convicted of 36 charges at Liverpool Crown Court yesterday and the jury has asked for more time to consider further counts.

He was found not guilty of three charges.

Bennell had denied the allegations, which relate to 11 boys, who were aged eight to 14, from between 1979 and 1990.

The very BREAST of Maitland Ward!

FLAME-HAIRED beauty Maitland Ward loves nothing more than stripping off and teasing her millions of social media fans.

Maitland, 41, shot to fame on American series *Boy Meets World* where she played Rachel McGuire on the hit show.

Saucy

Despite carving out a career in Hollywood, she likes to peel off her clothes for her own saucy snaps.

Since 2013, busty beauty Maitland has been posting naked or nearly naked photos of herself on her social media accounts, much to the delight of her 162,000 followers.

By BECCA STUBBS
becca@sundaysport.co.uk

In recent years she has also started making Comic Con appearances where she is completely nude except for a smattering of body paint.

Her favourite outfits include see-through lingerie sets and which leave little to the imagination.

Since American stunna Maitland seems to prefer wearing anything which flaunts her eye-popping 32D boobs, here's the very best photos of her baring all...

SEX TEXT TEACHER WHO BONKED TEEN PUPIL SPARED JAIL

MINOR CRIME: School where Audiat worked

She walks free

By WENDY THOMAS news@sundaysport.co.uk

A TEACHER who cheated on her husband with a pupil half her age has dodged jail.

Corine Audiat, 33, was said to have seduced the 16-year-old after sending him sexually-charged texts.

The messages started around 15 months after she got married and explicit private conversations between the pair continued for several months until they had sex, investigators said.

Audiat was sentenced to 180 days in prison – but will serve the time from inside her own home.

The brunette Washington High School PE teacher pleaded no contest to having intercourse with a minor in Fremont, California.

Flirtation

Her movements will be tracked by electronic monitoring following the plea deal, said prosecutor Tim Wellman.

She must register as a sex offender and stay away from the victim for 10 years.

Audiat, who will also have to do 150 hours of community service, is banned from spending unsupervised time with under 18-year-olds.

And she will never teach kids again.

A separate lawsuit accusing Audiat of "grooming" her students and enticing them with flirtation, texts and hugs has been filed against her school district on behalf of the victim.

In one text, she reportedly said she wanted to pull the lad into the gym equipment area and snog him.

The teen's lawyer said the boy was ashamed that his first sexual encounter was with a teacher he trusted.

STRANGER HOUSINGS

ONE in seven Brits aged 18 to 40 would buy a house with a TOTAL STRANGER to get on the property ladder, according to a study by HSBC.

DAD'S A SHOCKER: James with Chloe

CHLOE'S RUGBY HUNK JAMES:

'I woke up in her bed and saw Richard Madeley!'

ENGLAND rugby star James Haskell didn't realise his girlfriend Chloe was Richard Madeley's daughter until he woke one morning to see him staring at him!

James, 32, opened up about the first time he stayed over at 30-year-old Chloe's home and then found out who her famous family was.

Chloe and James have been together for 18 months, with the fitness babe's parents being iconic telly presenters Richard, 61, and Judy Finnigan, 69.

Weird

England flanker James said: "I didn't know they were her parents until I stayed at her house!

"I woke up in bed and looked over to see a picture of Richard on the wall and thought 'F**king hell, this bird's into some weird lads'.

"I thought I was going to have to get some stonewashed jeans and start layering my hair.

"I asked her about it and she said 'That's my dad', then I got invited to Richard and Judy's on Boxing Day."

But that didn't quite go to plan when the rugby hunk was told to 'f**k off' by Richard.

James added: "Richard is so intense in the kitchen. I poked my head round the door and gave a bit of chat as he was dishing the food up.

"And he yelled at me 'F**k off!' I walked straight back out.

"The funny thing is, I thought he was making everything from scratch.

"But most of it was actually bought in Marks & Spencer, so he wasn't even f**king cooking it! He had the audacity to tell me to f**k off when he was just spooning it out of a pot!"

Luckily, James and Chloe's dad now get on great, with the flanker describing Richard as 'an absolute legend'.

Single Kylie 'ready to date again'

POP star Kylie Minogue is reportedly ready to get back on the dating scene after being left heartbroken by her ex.

The 49-year-old Aussie beauty called off her engagement to her toy boy Joshua Sasse, 30, last year following reports of him cheating on her.

Despite the shock split, Kylie is now ready to look for love and is slowly "putting herself out there".

A source claimed: "Kylie would love to start dating again, but she's learned her lesson with whirlwind romances.

"She's been putting herself out there and is taking it slowly. She's adamant that she hasn't given up on love."

Kylie has a string of failed relationships but reports suggest she is ready for love once more after spilling her heart into her new album.

Pint-sized Kylie met her ex-fiance Joshua in 2015 when she appeared on his US telly show *Galavant*.

ANC calls for leader to go

SOUTH Africa's ruling party has said President Jacob Zuma (*above*) must leave office.

Ace Magashule, secretary-general of the African National Congress, said the party's national executive committee had decided to "recall" Mr Zuma, who has been discredited by corruption scandals.

Mr Magashule said the president had previously agreed to resign, but wanted to stay in office for several more months.

If Mr Zuma refuses to co-operate, the matter could go to parliament for a vote on a motion of no confidence.

kitty LEA

CURVY Kitty Lea has enjoyed an X-rated THREESOME with her best friend and a famous face.

The 27-year-old stunna, who boasts a pair of eye-popping 30DD norks, revealed her naughty ménage-a-trois and reckons it was the best shag of her life.

Hammered

Lincolnshire-born lovely Kitty said: "I've always kissed women and it's not something that bothers me.

"I don't think things like, 'Oh I can't touch a girl because she's the same sex as me', that's just stupid. I like to see a beautiful woman.

"I love looking at girls' boobies, it's one of my new hobbies!

"And I like to see what girls are out there, what they've got to offer.

"I once had a threesome with my best friend and a celebrity. We went out to a party and got absolutely hammered and met loads of famous people.

"Then we met the guy in question and one thing led to another. It was a mind-blowing experience, I would definitely be up for doing it again."

Ryana Daniels says...

"I WILL be inviting a fit fella around tonight and spending my time in some of the sexiest underwear that I own.
I'm sure it will end with a steamy shag!"

Top tips on achieving the perfect Valentine's Day bonk...

WITH plenty of couples set to spice up their bedroom antics tonight, we've got the best advice on how to have the PERFECT Valentine's Day SHAG.

We turned to sex therapist Isiah McKimmie to share her top tips on how to impress your lover between the sheets tonight.

Valentine's Day sees the shelves packed with kinky underwear, naughty sex toys and tons of ideas on how to give your love life a boost.

But here's the top tips on how to really get bang for your buck and keep her coming back for even more bonks.

McKimmie said: "Put some thought and effort into planning your Valentine's Day together, and what you might like to try in the bedroom.

Sexting

"But try to stretch yourself a little, try something a little different to your regular underwear.

"Something timeless and lacy can help you feel sexy and confident.'

Sex expert McKimmie also recommends building up the anticipation by sexting through the day – then she'll be putty in your hands by the night.

She added: "Women who engage in sexting with their partner during the day are more likely to reach orgasm during sex in the evening.

"It's also a great way to bring a smile to your partner's face."

When it's time for the bedroom,

Joanna Jenson says...

SEEING as I don't have a fella, I'm gonna spend the night with myself and my toys – they're the only thing guaranteed to make me climax!

By BECCA STUBBS
becca@sundaysport.co.uk

McKimmie said it is important that couples take their time with each other.

She said: "We have such busy lives, the reality is that if we don't make time for intimacy with our partner, it doesn't happen – or it only happens late at night when you're both tired.

"Making time for sex ensures that it happens, and allows you to relax and enjoy it more.

"Spending at least 20 minutes in foreplay can enhance enjoyment and increases your chances of having an orgasm."

For those who would like to introduce new props, McKimmie suggests playing with a blindfold to really spice the night up.

"Taking away the sense of sight involves a lot of trust and can build intimacy," she added.

"It also enhances the other senses, such as touch.

"Telling your partner what you're enjoying is a great way to increase turn on for both of you and can be a good way to start 'talking dirty'."

We asked three *Sport* stunnas what they plan on doing tonight...

Kimberley Carter says...

TONIGHT I will definitely be using these tips and blindfolding my hot bloke and maybe even handcuffing him to the bed. He will be very satisfied – trust me!

Forget Valentine's, make every day go off with a bang!

Nikki McManus
Age 22, 32DD-24-36, from Mablethorpe

By BECCA STUBBS
becca@sundaysport.co.uk

NOT set to get a shag on Valentine's Day tonight? Don't worry, regular sex is just as good.

With cards, chocolates, roses and teddy bears adorning the supermarket shelves, Valentine's Day is supposed to be the day that really goes off with a bang.

However, three out of five people in relationships reckoned the February 14 shagging session didn't live up to the hype.

Wakefield Research, in America, quizzed 1,000 people in loved-up relationships and found that 61% of them weren't overly impressed by their Valentine's Day bonk.

Despite the letdown between the sheets, the study found 80% of them were more likely to bonk their partners on holidays and special occasions.

A whopping 83% of people, however, admitted that sex is more enjoyable when it happens spontaneously.

Results from the study also showed that 97% of those quizzed said that having good sex 'makes them feel more connected'.

Sex and love reporter Candice Jalili said: "The trick is to just put less pressure on the day in general, specifically on the sex factor.

Romp

"Just because the day is called 'Valentine's Day' doesn't mean you have to be more in love and physically attracted to each other than you have ever been before.

"That's a surefire way to get disappointed. You should be spreading that love, romance and sexy time in your relationship throughout the year – not just saving it all for one day."

Sport stunna Nikki McManus agreed with Candice and says she hates the emphasis put on a Valentine's Day romp because she wants sex 365 days of the year.

She said: "I love sex, it's the best thing in the world. But it annoys me that around Valentine's Day there's loads of sexy underwear and stuff in the shops.

"Shops are doing their best to sell kinky lingerie and naughty sex toys, but I want that all year round – not just one night!

"If you're making all that effort on just one night of the year, you're doing it wrong. Why not make the most of your sex life every time?

"I appreciate there's nothing better sometimes than a quickie – but now and again, I love nothing more than dressing up in a red-hot set of knicks and getting a good seeing-to!"

#MY SEX FANTASY

‘It’s such a huge turn-on getting down and dirty in the outdoors’

By WENDY THOMAS news@sundaysport.co.uk

IT may be cold enough to freeze the bollocks of a brass monkey but that won’t stop Zafira from getting some outdoor action!

The 34D babe confessed she loves feeling the air on her nips – because she gets off on adventurous nookie.

The sexy glamour model gets a thrill from knowing she could get caught in the act during her saucy al fresco romps.

The 27-year-old stunna, originally from Budapest, said: “I find it such a huge turn on getting down and dirty in the outdoors.

“It’s the spontaneity of it. I’ve done it in a park, a car down a country lane, fields, a swimming pool and in the sea on holiday.

Horny

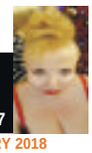

“It’s a kick knowing you’re in public and anyone could catch you going at it.

“One time I was feeling horny on a long drive back home from Manchester and me and my then boyfriend pulled into a motorway service station car park.

“It was a ‘I need you right here right now’ moment. I literally threw him on the back seat and was riding him for Britain! We got a few beeps but we didn’t care.

“I also love going off for a picnic in the summer in a secluded field. It’s not always planned, you just start kissing and one thing leads to another and next thing I know my bra is off!”

THE WORLD FAMOUS AGONY Page

Dear Ashleigh,

MY girlfriend always wears stockings and suspenders, but her best feature is probably her 34GG breasts. She gives the best tit-wank a man can get.

When I met her mum, I could tell where she got her fantastic norks from.

After a meal at their house recently, the dad pissed off down the boozer and we settled down to watch some telly. But all the time I was staring at the mum's knockers, imagining getting a tit-wank from her.

My girl went to bed and I stayed to watch the end of the movie. But as soon as she'd left, I made a move on her mum.

She responded by unbuttoning her blouse and gripping my cock between her giant hooters. I was well away and just about to cream on her norks when her hubby walked in.

I was chased out of the house and now my girlfriend won't talk to me. What should I do?

JD, Merseyside

Ashleigh says...

CHALK it up to experience.

Dear Ashleigh,

MY girlfriend loves watching me having sex with other women – usually her mates – and she has a string of peachy pals that any red-blooded male would love to get his hands on.

Take the other week, for example. She told me she would be inviting Natasha round for dinner on the Saturday night and I should be ready for some fun.

Our guest arrived at 7pm and, after a delicious supper, I was soon conkers-deep in Natasha's lovely clunge.

My missus always watches for a bit and then joins in. This time was no different. She climbed onto the bed and was soon licking her mate's fanny and sucking my cock.

It was brilliant, but I'm thinking of marrying her and wonder if our relationship is strong enough to survive because she now wants to go with other men.

What should I do?

BK, Lancashire

Ashleigh says...

BE careful. It could end in disaster.

Shoe shop shag show

Dear Ashleigh,

I WORK in a shoe shop and one day a week the manager leaves me in charge.

Recently I was about to close at the end of the day when a smart woman came in. She was about 35, tall and slim.

She asked me about a pair of shoes on display in the window, so I invited her to take a seat while I went to fetch them.

They were a pair of red, strappy sandals and when I got back she'd already slipped off her shoes to reveal her pretty toes set off with scarlet nail polish.

She wasn't wearing tights or stockings and as I lifted her foot to try on the sandal I couldn't help but admire her long, tanned legs.

But I hesitated slightly and she caught me looking at them.

She smiled and slowly parted her thighs, to reveal she wasn't wearing panties!

At her suggestion, I locked up the shop while she slipped off her skirt, bent over a chair and let me bang her till she squealed.

Now she calls in every week when the boss is away. I love it, of course, but I'm worried I might get sacked if the boss finds out.

What do you think?

FJ, Bucks

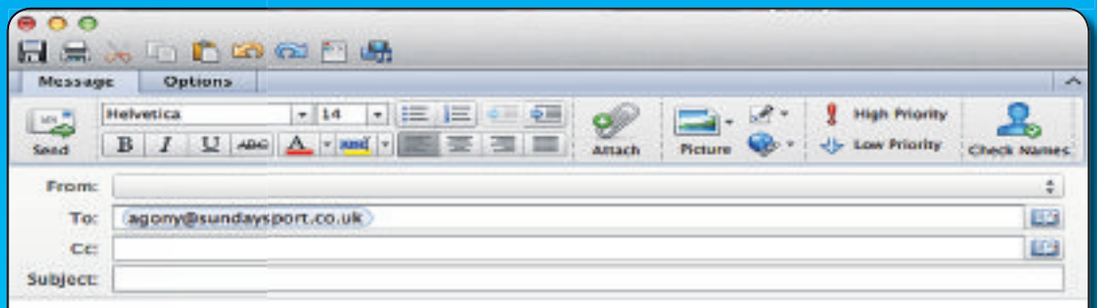

Ashleigh says...

TAKE her home and try her on for size there.

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week ASHLEIGH GEE has been reading through your letters. And here's her advice for you...

Secret threesomes are hole lot of joy for me!

Dear Ashleigh,

I'M 32, married and hide a saucy secret from my hubby – I enjoy threesomes with two men I work with.

Our sessions are on Tuesdays and Thursdays, when my hubby thinks I'm at the bingo.

Instead, I go round to my work pal's house where the two of them are ready and waiting.

The sex is always out of this world, but the other week was the best one yet.

I went upstairs and stripped off before diving under the duvet. After a couple of minutes they came in with a bottle of wine and I undressed each one in turn.

Sucking

I enjoy being licked out and, though one of my lovers is pretty good at it, the other is sensational.

And he soon got going on my love-bud with his expert tongue.

As I lay sucking on one guy's manhood, his pal was like a man possessed as he lapped away at my aching pussy.

After I reached a shuddering climax I got on all fours for one of them to enter me from behind for some frantic doggy-style humping while I sucked on the other one's hard dick.

One of the lusty lads thrust into me as I grabbed the other's cock and furiously wanked him off until he spilled his hot cream over my face and tits.

But the one who was inside me was like a stallion – I could feel the sweat dripping off his naked body onto my arse as he built up an incredible rhythm.

Several thrusts later I was squealing with delight as I reached yet another shuddering orgasm.

We lay in each other's arms stroking each other for a while to get our breath back.

And after about 20 minutes one of the chaps climbed on top of me and slipped his prick into me for some missionary-style action.

The other lay playing with himself until he, too, was rock-hard again.

Then the three of us managed to position ourselves so that I could take the second guy in my bumhole at the same time as his pal was still shagging my dripping wet pussy.

The feeling of having both guys inside me – in different holes – filled me with rapture and I had the most amazing, long and intense orgasm ever.

But last weekend my husband came back from the pub and hit me with some devastating news.

He said that one of his pals had told him I'd been cheating on him with the two men from my workplace.

I feel deeply ashamed that I've taken things so far and that I've upset my husband.

Any advice for me?

HJ, north London

Ashleigh says...

SEE if you can make things up with your hubby. Cook him something nice, then suck him dry.

MILF landlady gave me bed 'n' breakfast treat!

Dear Ashleigh,

ME and my mate work away from home as contractors and recently shagged the MILF landlady at our digs.

She was a tasty 40-something, slim and blonde with cracking tits and an arse to die for.

Me and my mate went to the pub for a few ales when she walked in with her knockers almost spilling out of her top.

She came over and leant in to me, whispering in my ear that she wanted to f**k me, as she grabbed my bollocks and remarked how well hung I was.

So I quickly finished my pint, left my mate in the pub to carry on boozing and went back to our digs with the randy landlady.

Back at the B&B, I soon had her on the couch in the shared lounge, with her thong off and her soaking wet bean rubbing on my nose.

I quickly made her orgasm with my finger blasting technique before she told me to bend her over and slam her hard from behind.

About half-an-hour later my mate walked in on us – still banging away in the sitting room.

The old bird grabbed my wet cock and told me to carry on while she beckoned my pal over to join us!

Before long we were spit-roasting her as she screamed in ecstasy and begged for more.

We didn't last long as she was such a good shag and her face ended up covered, like a bukkake scene.

She gave us discount on the room and a free breakfast, but me and my mate have birds back home and feel guilty about boning her.

Please help!

SH, Stockport

Ashleigh says...

WHAT happens "on tour" should stay "on tour". So remind your mate to keep his mouth shut!

Dear Ashleigh,

I AM a 20-year-old secretary in a legal firm and my 35-year-old boss has taken a shine to me.

He has always been extremely nice to me and sometimes I have got embarrassed when he praised me in front of other colleagues.

But the other month he came clean about the reasons why and told me he fancied me rotten.

And he promised me a promotion if I slept with him.

So I did – because I really need the extra money.

The first time he had me was over his desk. He took off my thong, licked me out and then fked me... hard.**

We now have sex up to five times a week and I have good reason to enjoy it.

I have been promoted – twice – and have a company car.

He is very attractive with an athletic body and colleagues tell me he is divorced and unattached.

The problem is that I prefer guys my own age and I have a steady boyfriend.

Should I continue to sleep with him?

BS, Birmingham

Ashleigh says...

IF you are comfortable with the situation, then carry on. If you feel guilty about your fella, then stop.

He said: "Where has the beautiful Carli been? I've been pining for her and her 32C boobs for months now!

Suck Like A Brazillian may sound like the college course you wish your other half would sign up for but this amazing DVD is a celebration of the art of the BJ as performed by dusky South American lovelies.

It's from the house of Private so you know the girls, the studs and the production values are going to be tip-top but it's the technique on show here that sets it apart.

These girls, led by the stunning Sandy Rio, could get wood from a dead man.

It's generally thought that football is the national sport in Brazil but after sitting through almost three hours of this stunning collection I'm going to suggest that they could also take of the the world at c*** sucking!

We'd love to show you grabs but can't find any without a happy penis front and centre!

OUR CRICKET NEWS HITS THE OTHERS FOR SIX

Tame Lions get a Kiwi kicking

BIG KNOCK: Williamson

ENGLAND SWEAT ON PLACE IN FINAL AFTER WELLINGTON LOSS

ENGLAND slumped to their their Twenty20 defeat on the spin as they came us short against New Zealand.

By NED TRUEMAN

The Black Caps set a testing total of 196 even on the relatively small Wellington ground.

But England were always behind the required rate and fell 12 runs short despite a swift 50 from Dawid Malan.

It means the Three Lions are relying on Australia beating the Kiwis when they meet later this week or they will be out of the Tri-Nations series.

They could have been chasing a smaller target but New Zealand skipper Kane Williamson was given a life on nought.

He should have been run out but Mark Wood's throw was wide of the mark.

He went on to make 72 punishing runs — including some big overs off Wood himself.

Williamson was delighted to get the win.

He said: "It was obviously very important in the context of this series. In some ways it was a must-win, just to get ahead of the third placed team at the moment, which is a very strong England side.

"They made it really hard, we had to play really strong cricket and fortunately we did that today.

Calming

"The guys got off to a really strong start for us and we were able to build partnerships throughout."

While stand-in skipper Jos Buttler did nothing wrong, it's clear that England are missing the calming influence of Eoin Morgan out in the middle.

The Lancashire wicket-keeper thinks the damage was done in the first knock when the Kiwis piled up their big total.

Buttler said: "We let them get maybe 10 or 15 too many, that proved to be the difference in the end. We were just off with our skills.

"We probably needed Hales and Malan to extend it a bit longer and then we didn't get those cameos we needed in the middle, myself or somebody else playing a bit of a cameo role to go with those two."

NZ BEAT ENGLAND BY 12 RUNS

AGONY: Elise Christie

Christie hits the deck in 500 final

WINTER OLYMPICS

A TEARFUL Elise Christie believes she was robbed in the 500m short track speed skating final.

The Scot crashed to the ice on the final lap and she claims a nudge from one of her rivals put her down.

She sobbed: "I was knocked over. I didn't fall on my own.

"When there's five people in the final, it doesn't given you any benefit when someone gets a penalty.

"It's tough. I worked so hard for the 500 and it's just been taken away from me.

"Even in the semi-final I got crashed in and ended up in lane four.

"I know it's short-track and I know I'm supposed to be prepared for this, but it still hurts."

Christie was disqualified from all three distances of this event at the last Winter Olympics in Sochi and is desperate to win a medal this time.

She has two more chances to strike gold and is determined to get over her latest heartache.

Reset

But she admits it won't be easy to come out fighting later in the games.

Christie added: "Hopefully. I've got a few days to reset. Obviously it's still almost a week until my best distance, so that's a positive.

"Right now, I just can't see living with this feeling. It's out of my control. I got knocked over and that's that."

Meanwhile, defending champion Lizzy Yarnold was fastest in the fourth run of training for the skeleton bob.

The Brit will go for gold on Friday and Saturday full of confidence after this impressive display.

Yarnold said: "We knew we could be good here together and it's about being strong as a team.

"Training runs are great because you can try different lines and have a bit of fun. I'm becoming more comfortable with each run.

"I'm pushing myself and trying different things because that is what training is for.

"It's a joy to slide on. It's very fast and the ice is so smooth and wonderful, it's such a good quality track."

THE WINNING POST

Stick it on Del boy

DESPITE being entered in a Pertemps Qualifier last week, DELIRE D'ESTRUVAL (NAP) should be able to handle the step down in trip at Towcester today.

By BEN MORGAN

Ben Pauling's horse has some solid form in the book and was unsuited by the subtraction of the majority of hurdles last time out.

The race turned into a bit of a sprint and he clearly looked uncomfortable.

The stiff finish at Towcester should really suit him and I would suspect that Daryl Jacob will go from the front and make this a test of stamina which will bring out the best in him.

Harefield's inclusion makes this an interesting race and if we're lucky we could get a bit of 2/1 about the selection.

Richard Mitford Slade's ex point to pointers have been doing well of late, most notably Samuel Jackson, who has turned into a decent novice hurdler.

I have also been impressed with DARK ASTER who has been performed well despite running a trip too short for her. She made a lot of headway late on at Warwick last time out, but the race was already gone at that point.

She tries 3m for the first time today in against her own sex, and she looks like she will appreciate the extra yardage and make her presence felt.

The Balding/Murphy combination is becoming quite a force on the all weather of late and they look to have another good chance of securing further success with CAROUSE.

The Excelebration gelding held good company last season on turf and put in a number of admirable displays. His return at Lingfield 18 days ago was impressive given the time he had off the track, and there could be more to come from him now upped in trip.

LUV U WHATEVER would be an apt winner of the 7.15 at Wolverhampton tonight for obvious reasons.

Marjorie Fife's horse not only has claims because of his name, he also brings in decent form, of which he has been holding most of the winter.

His recent win came only five days ago and it was in a better grade than this, so if he is none the worse for those excursions then he must go very close here.

Harrison Shaw takes off 7lbs which negates all of his 6lb penalty.

TABLE-TOPPERS UNSTOPPABLE AFTER WINTER BREAK IN SPAIN

FOOTBALL'S rulers may be thinking about having a winter break — but Wolves are already feeling the benefit of theirs.

By ANDY MILLOM

The Molineux men escaped to Marbella in Spain for a week last month and they have done nothing but win since.

Boss Nuno Espirito Santo took advantage of a rare gap in Wolves' fixtures to whisk the players away for some warm weather training.

Before the trip, they had started rocking at the top of the table, going four games without a win.

But since coming back they have won three on the bounce and look like real certainties to win the title.

Wolves skipper Conor Coady believes the break has reignited their season.

He said: "It's been huge. I don't think the football club had done something like that in a long time.

"It was a great idea. We went there and had a great week of working hard and getting things done.

"All the boys were together – we stayed together and had dinner, things like that.

"It was a fantastic week and something I think all the boys needed to really kick on.

Better

"Everybody is sticking together.

"The team spirit within the squad and within the club is on a different level – it is fantastic.

"We all know where we are and what we want to do. We just want to keep improving, keep getting better."

The Wolves attack in particular has been perked up by their jaunt to Marbella, with Helder Costa and Diogo Jota rattling in the goals in recent games.

Former Liverpool youth skipper Coady believes the strikeforce can hold their own in the top flight and will keep banging in the goals.

He added: "It's a pleasure to be playing with these boys, the way they're playing at the minute – in full flow.

"It's an absolute pleasure to watch, to be behind them and be organised. It's superb. The last couple of weeks have been really good.

"They're scoring plenty of goals and doing really well for the team.

"The club are really lucky to have them here. And as long as we have them here, hopefully we'll keep winning games."

Coady believes Wolves have enough talent to keep their run going to the end of the campaign.

"It's such a tough league to play in — it is about digging in and being resilient.

"The boys have showed that a lot this season and we did it again on Saturday."

FRACTURE: Mason

Mason forced to retire at just 26

FORMER England international Ryan Mason has been forced to retire with a fractured skull.

The 26-year-old Hull ace has not played since clashing heads with Gary Cahill in January 2017.

Mason has failed to recover enough to stand the rigours of professional football.

He said: "I can confirm that following specialist medical advice I am having to retire from playing professional football.

"I have worked tirelessly in order to be able to return to the pitch.

"Unfortunately, having taken expert medical advice I now have no option but to retire due to the risks involved given the nature of my injury.

"I am and always will be eternally grateful for the incredible network of people around me who have helped me to recover from what was a life-threatening injury in January 2017."

Mason came through the ranks at Tottenham and made his debut for the Londoners in 2008.

England

He toured the lower divisions on loan before making 70 appearances for Spurs.

That led to him earning an England cap in a friendly against Italy in March 2015.

But he failed to hold down a regular place at White Hart Lane and moved to then Premier League Hull in 2016.

His career has been cut short after just 20 appearances for the Tigers.

Mason added: "I would like to thank everyone at Hull City, especially the doc Mark Waller and all of the medical team for helping me to recover.

"Thank you to the chairman and the board for sticking by me.

"There are too many names to mention when it comes to talking about Tottenham Hotspur but I would like to say a special thank you to Mauricio Pochettino and everybody at Spurs for helping me to achieve my dreams.

"I am so proud to have come through the ranks to play for my club, the club I love. To have had the honour of captaining the team fills me with immense pride."

Reds Firm favs in Porto

FLYING FORM: Firmino has been banging in the goals for Liverpool

BUT KLOPP'S LADS FACE TEST

LIVERPOOL are back in the knockout stages of the Champions League tonight for the first time since 2008/09 when they travel to Portugal to meet dual winners Porto.

The Reds are unbeaten in four ties against the Portuguese champions and lifted the UEFA Cup the last time the sides met in European competition back in the 2000/01 season.

Liverpool scored 23 goals in their six group games, but this unlikely to be any St Valentine's Day Massacre although the hosts have lost their last three Champions League knockout games.

Mettle

The Reds are 13/10 to win the game with BetVictor with the draw 13/5 and Porto 2/1.

Roberto Firmino scored four times and had two assists in Liverpool's three away games in the groups and the Brazilian is 11/2 to open the scoring and 7/4 to find the back of the net at some stage tonight. Porto scored more goals from set-pieces (8) than any other team in the group stages and the Reds will have to be on their mettle at the Dragao Stadium, which saw 15 goals in their three home group games.

Group winners Besiktas won 3-1 in Porto on Match-day One when the Turkish side's goalscorers included the Reds' former striker Ryan Babel and Everton's current third-choice forward Cenk Tosun!

Jurgen Klopp's side are a confident selection to qualify for the last eight and they look good value at 13/10 to take a lead back to Anfield for the return leg next month.

Holders Real Madrid entertain Paris Saint-Germain in the tie-of-the-round at the Bernabeu.

The Whites have won all six home knockout Champions League games under Zinedine Zidane and they have reached the semi-finals for the last seven seasons.

The La Liga side won the competition having finished runner up in their Group last season so perhaps it is not too much of an inconvenience to be playing at home in the first leg.

Hosts

Paris have not got further than the last eight in the last five CL seasons and they have actually only reached the semis once and that was way back in 1994/95.

Yes, the French outfit scored a record 25 goals in the group stages, but they lack the Champions League pedigree of Real Madrid and I expect to see Los Blancos take a lead back to France next month. The hosts are 7/5 with BetVictor with PSG 9/5 and the draw at 14/5.

Cristiano Ronaldo scored a hat-trick at the weekend and has found the back of the net 19 times in his last 11 games in the competition. CR7 is 22/5 to open the scoring with BetVictor and 23/20 to score at any time.

★The weights were announced last night for the greatest horse race in the world — the Randox Health Grand National at Aintree on April 14.

Last year's fourth Blaklion was 10/1 favourite at BetVictor (each way ¼ odds five places) before BHA handicapper Phil Smith unveiled the weights but he looks sure to be given more weight this year especially after such a fluent win in the Becher Chase over the National fences back in December.

Turmoil in the Baggies boardroom

THE crisis at West Bromwich Albion continues with chairman John Williams and chief executive Martin Goodman both getting the sack.

The Baggies sit rock bottom of the Premier League and now seven points from safety.

Williams and Goodman have been given notice and put on gardening leave with immediate effect. The fact this has happened at squeaky bum time in the season underlines the turmoil at the Hawthorns.

A club spokesman said: "We would like to thank John and Martin for all their efforts since their appointments and wish them well for the future."

The club say results on the field are the reason for such drastic measures in the boardroom.

It's the latest in a run of mishaps to hit the Baggies this season.

The board took the risky measure of sacking Tony Pulis — a man who has never been relegated — in November.

Hopes

Since then, new gaffer Alan Pardew has made precious little difference with the Baggies sinking rapidly to the bottom of the table.

He has managed just one win in 13 games since taking over from Pulis who was in the middle of a run that saw West Brom go 20 matches without a victory.

Pardew made the strange call of pinning all his hopes on a loan deal for injury-prone Daniel Sturridge from Liverpool.

And, to the shock of precisely nobody, the England striker quickly limped out of action and hasn't scored yet.

INJURED: Sturridge

ONE WIN: Pardew

There is no suggestion at this stage that Pardew will be following the big wigs out of the door — although no guarantees have been given.

There is extra panic because several Albion players have clauses in their contracts that mean they can walk for peanuts if the club falls into the Championship.

The highest profile is Jonny Evans. Arsenal were willing to pay around £15m for the central defender in January.

He can leave the club for just £3m if they are relegated.

Former chief executive Mark Jenkins has been called back to add to his 14 years in charge of the Baggies.

He knows there is a big job ahead to save the club's Premier League future.

He admitted: "There is much to do but for now the focus must solely be on the remaining games of this season."

LACA ALEX FOR SIX WEEKS

Gunners ace faces spell on sidelines

ALEXANDRE Lacazette is out for six weeks after going under the knife.

The Arsenal hitman has had surgery on a knee injury that was described as a "success" by club doctors.

A Gunners statement said: "The minor procedure was a success and he will now undergo a period of rehabilitation. It is envisaged that he will return to the squad within four to six weeks."

It's not the blow it would have been before Pierre-Emerick Aubameyang arrived in the north London. But it's the latest setback for the £52m summer buy from Lyon.

His return of nine goals from 29 appearances doesn't look that bad on paper — but he's managed just one strike from 13 outings.

Lacazette's latest hiccup came when missing a sitter against Tottenham in the north London derby at Wembley.

With Aubameyang cup-tied, the Frenchman would have got a start against Ostersunds in the Europa League tomorrow night.

Boss Arsene Wenger had already been forced to admit that Lacazette was not performing as he'd hoped.

The Gunners gaffer said: "He's a good goalscorer who has gone through difficult periods before. He works hard in training, he works on his finishing.

"I don't know what happened, whether he didn't touch the ball well, but it can happen in the fraction of a second.

"Maybe his confidence is not at the highest because he has seen a competitor coming in for him."

With Olivier Giroud gone to Chelsea, Wenger is short of options in attack. He may be forced to throw Danny Welbeck in despite the former Manchester United hitman's lack of game time.

They head to Sweden's "winter city" hoping to thaw out their ice cold away form.

The Gunners will kick off in temperatures of around -8 in the outpost tomorrow night.

And the Frenchman is just desperate to see his players grind out a win away from the Emirates Stadium.

They have won just five times on the road this season — and two of thoses were against real minnows in the Europa League. With their top-four Premier League hopes all but gone, winning this tournament looks their best route back into the Champions League.

So Wenger may change his policy of resting key players on a Thursday night now that the knockout stage has begun.

Wenger said: "We have to win the next game. I believe that our away record is one of the worst it's been since I've been in England.

"We have to play much better away from home and make more superior results if we want the chance to come back."

GUTTED: Lacazette after his derby miss

GROIN OP: Rangel

Angel has his wings clipped until April

SWANSEA skipper Angel Rangel is out for at least six weeks.

The veteran defender has had an operation to sort out his ongoing groin injury that has kept him out for more than a month.

The 35-year-old right-back will be missing until the closing weeks of the campaign.

A club statement said: "Swansea City skipper Angel Rangel is expected to return to first-team training in six weeks following successful surgery.

"The Spaniard went under the knife in London on Monday to cure a groin problem, and he is set to play a part in the club's Premier League run-in after the successful procedure."

Rise

Swansea have had an amazing turnaround — largely without Rangel since boss Carlos Carvalhal took over.

From looking doomed under Paul Clement, the Welshmen have picked up 14 points from a possible 21 since the Portugeezer arrived at the Liberty Stadium.

Rangel has spent 11 years at the club and has been there for most of their rise through the divisions.

But his contract runs out at the end of this season — and there's every chance he has played his last game for the club.

Kyle Naughton has taken his place as first-choice right-back and it's been working under Carvalhal at least.

EURO DOR OPEN FOR HOOPS

CELTIC goalie Dorus De Vries says playing Zenit St Petersberg is like being in the Champions League.

The Russians have been regulars at Europe's top table in recent years and dropped out of the groups this season.

Celtic know they have to take a lead into the second leg in St Petersberg to have any realistic chance of making the last 16.

The Hoops battled hard to finish third in their own tough Champions League group so know what it takes to compete at the highest level.

And De Vries believes it will take the performance of the season to get past the Russians. The stand-in keeper for injured Craig Gordon said: "I'm really delighted that we've been in the Champions' League group stages since I've been at Celtic.

"It's been a great financial injection for the club and it's a platform for the players and management to grow.

"We have a young squad with a lot of potential and whether we win, lose or draw in the Champions League we learn each time.

"We deserve to be there. We are competing against men, clever football players with pace and power, but it's going to be the same in the knockout rounds of the Europa League."

De Vries says fellow Dutchmen Ajax should give Celtic hope of going deep into the Europa League.

They used to be one of the biggest names on the continent but have been relegated to the second division when it comes to spending power.

The keeper thinks they have plenty in common with Celtic, adding: "Ajax are a good example of what is possible. We are a young team but a lot of the young guys here play like men and there is only room to grow and get better.

"Playing in Europe will help these guys reach their true potential.

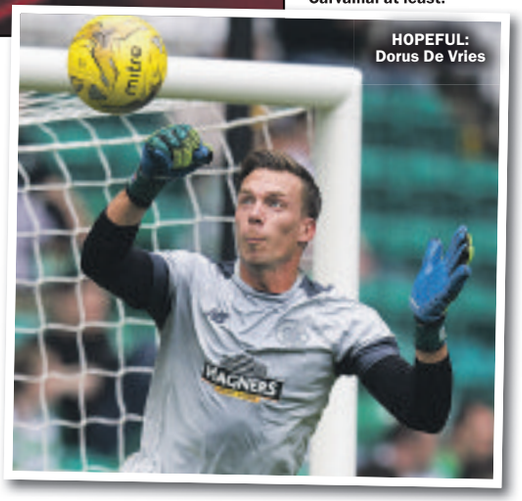

"Every game we play here is big because people are expecting you to win. Every game here is special and I mean that. Our home support is magnificent.

"But the big games and the atmosphere is incredible. I've had family and friends here who have said the same thing.

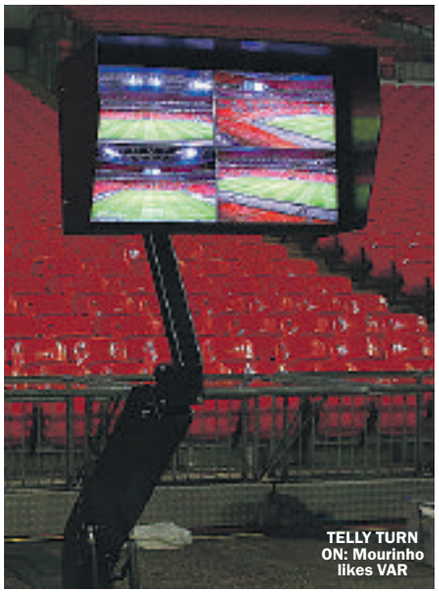

"They even enjoy the competition days as much as the European nights, they say it is always something to look forward to."

TELLY TURN ON: Mourinho likes VAR

Mourinho a VARy big fan of video refs

AT last someone in football is a massive fan of VAR — Manchester United boss Jose Mourinho.

The Portugeezer is never afraid to go against the crowd and he's a rare voice in the manager ranks to give the video review system the thumbs up.

So far, it has only been brought into play for FA Cup games in England and the response has been mixed. Although it helps to get decisions right, there have been long delays to the game — with the crowd in the stadium clueless about what's going on.

But Mourinho thinks those issues can be ironed out — and it's important to get the correct decision however the officials arrive at it.

Manchester United will get their first taste of VAR in their FA Cup tie against Huddersfield at the weekend. Cynics would say the Red Devils have the most to lose from the video technology.

But Jose said: "When people ask us if we like it, if we don't like it, if we agree with it or don't agree with it, I think honestly it's a question for the referees.

RIGHT CALL: Mourinho

Human

"They want to perform the best they can, they don't like to make mistakes.

"And sometimes they make mistakes because it's a human mistake and you cannot go over it unless you have some technological support.

"So if the referees are happy with technological support, then yes, let's go for the VAR.

"I think, from my perspective, I like the feeling. Of course they need adjustments.

"They need to make sure that they don't change the dynamic of the game too much, the emotion of the game too much — people waiting a couple of minutes to know if they can celebrate because it was a goal.

"But from my professional perspective, I like the feeling of a right decision is coming.

"It's a penalty or not a penalty, it's handball or not handball, it's a red card or not a red card.

"I think a fair decision is a feeling that I like."

CHAMPIONS LEAGUE LAST 16:

KARRY ON UP THE KEEPER

Klopp sticks with his number one Karius for Champions League tie

By PAUL THOMAS

LIVERPOOL boss Jurgen Klopp says it's Carry On Keeper for Loris Karius.

The Anfield giants have been struggling to find an established No1 this season with Simon Mignolet rotating with the German.

But after a couple of assured performances, it looks as though Karius has laid claim to the jersey for keeps.

Klopp started the campaign with Mignolet in goal for Premier League games with the other Kop stopper stepping in for the Champions League.

But it looks as though that rotation system is over — for the time-being at least.

When asked whether Mignolet would play against Porto in the Champions League tonight, Klopp refused to back the Belgian gloveman.

He said: "To be honest I have not made the final decision but it is not the same situation as it was.

"A good one will play. That's the plan. But I haven't made the decision so far."

Many Liverpool fans are puzzled as to why third choice Danny Ward hasn't been given a chance to stake a claim to the keeper's jersey.

The Welsh international goalie was a big hit while on loan at Aberdeen and played a massive role in Huddersfield winning promotion to the Premier League last season.

The Terriers wanted to make his loan deal a permanent move but Liverpool weren't keen — making his lack of game time at Anfield this season more of a mystery.

The man himself is just knuckling down and trying to catch the manager's eye.

Ward said: "As regards my position since the start of the season, it's been about a lot more than going for the number one shirt.

"As much as you want to play, you want to be helping provide Liverpool with the best possible goalkeeping choice you can and all three of us all work our socks off every day and push each other to try to get the best out of each other.

"That's what we've been doing and we'll continue to work that way that. No-one envisaged the rotation policy

but the manager has his way of dealing with these things. We all respect it and we're all professional and get on with the job."

Ward also insists there are no hard feelings about his summer move to Huddersfield being blocked.

Young

He added: "The manager made his intentions clear that he wanted me to stay here and fight for a place in the team.

"Which is good. It's good for me that he has that belief.

"Obviously I've not played as much as I would like to but that's part of being a goalkeeper, especially a young goalkeeper at a club this size."

There was one surprise as the Liverpool players flew out to Portugal — the sight of right-back Nathaniel Clyne getting on the plane as part of the 25-man squad.

The England star has missed the past seven months with a series of back and hamstring problems.

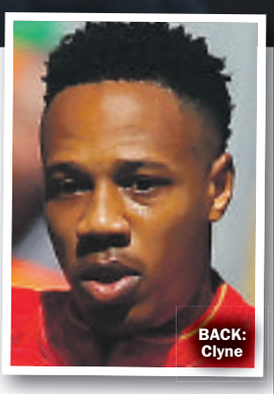

In the meantime, Joe Gomez and Trent Alexander-Arnold have been fighting over his position.

But if Clyne comes back fit, he'll surely be straight back into the side. That would free Gomez to move into the heart of defence where his future surely lies.

And it would give 19-year-old Alexander-Arnold some welcome rest as he continues to develop.

Klopp said: "I'm not 100% sure with Clyney, he is still not in team training but he is as close as he has been since the summer.

"I think we need to at least go one round further so that Clyney can be involved, there's no chance for him in the next round against Porto. I hope he will make an impact."

BACK: Clyne

NEW BLUE: Olivier Giroud

Giroud: I had to walk out on Wenger

OLIVIER Giroud says he had no choice but to leave Arsenal — because he wasn't getting a game at the Emirates.

The Frenchman made a surprise switch across London to Chelsea last month and has gone straight into the champions' first team.

He got the nod over big-money summer signing against West Brom on Monday night — and is delighted to be back in action with the World Cup looming.

Giroud said: "It's been a while since I played regularly and that's why I needed to move.

"I needed a new challenge and Chelsea was the perfect club for me.

"It's the Premier League, a club which has won more titles in the past ten years than any other. It's a massive club and I am very proud to be here and to carry on my career.

"I feel very good. It's been maybe two months since I started a game so I felt good."

IDEAL PARTNER: Hazard

Change

"I worked hard in training to be physically ready and to do what the coach asked me to do tactically.

"There is still room for improvement but I take a lot of pleasure and I was happy to set up the first goal for Eden."

Giroud seems to have made the change from red to blue without breaking sweat.

He added: "I was very excited to make my debut at Stamford Bridge and I'm very happy for the team.

BENCHED: Morata

Obviously we needed the three points to get the confidence for the following games and we've done the job.

"It's true you could see the team was not playing with the full freedom at times but it's normal after two disappointing results.

"It's a new challenge and it's been special for me to leave Arsenal.

"I had five amazing years there but now it's a new chapter of my career and I am focused 100 per cent on the Blues to reach our targets and I'm very happy to be here.

"I said at half-time when they put stitches in my head that I wanted to carry on, but the calf was very painful and I couldn't play the whole game."

Giroud has already iinked up well with Hazard and believes the partnership has a big future.

He added: "It's simple with Hazard because he smells the game, he smells the football.

"We are going to take the games step-by-step."
